To Whom It May Concern,

Westcliffe Inc. has utilized the turnkey services of Reeder Concrete Inc. for the past several years. We have experienced nothing but a great relationship, with both office staff and field personnel.

They are continually competitive with the market, and always back their quotes and scope of work. Trustworthy, honest, and always positive attitude are qualities the RCI team exemplifies, from the office to the foreman & crews in the field, which only keeps projects ahead or on schedule.

As a General Contractor, we have found RCI's focus on quality assurance is never jeopardized. Westcliffe Inc. highly recommends RCI for turnkey concrete projects that require high quality, quick turnaround, and competitive pricing. Our experience has been nothing but exemplary.

Charlie Johnson
President
Westcliffe, Inc.
